Most of the world's major religions are involved in demographic wars. These are usually related to the desire of these religions to convert the entire world to the same belief system.

I guess you need one of these to bring down a whole herd of deer.

The gun that Adam Lanza allegedly used to do most of his shooting on Friday -- the .223 Bushmaster caliber rifle -- happens to be the same type that was used in the 2002 DC sniper shootings.

Do you think semi-automatic assault rifles like this one need more regulation?
